

enjoy.ing is a Swiss based engineering company, with headquarters in Zurich, gathering internationally experienced teams of engineers in Belgrade and Niš.

We enjoy software engineering! Do you?

If you are looking for creative and challenging international projects, excellent working conditions, training and development opportunities, pure professionalism with a handful of positive spirit and...

You are a team player with open and friendly personality and would like to work as:

Full Stack Java Developer

You will:

- Create new and customize existing modules of a JEE e-banking web application with a rich JavaScript based client side
- Develop in Eclipse, coding in Java and object oriented JavaScript utilizing jQuery
- Resolve technical issues through debugging, research, and investigation of banking software solutions
- Follow approved Agile methodologies in coding and testing
- Work both independently and in close collaboration with others in an international team

Our offer:

- A chance to be part of casual but highly professional international environment
- Competitive compensation depending on experience and skills
- Private pension and medical insurance
- Professional and soft skills trainings and education
- Sports, team buildings, conferences and events
- Modern and cozy offices in New Belgrade and Niš, cakes and fresh fruits...
- Possibility to travel abroad
- Work – life balanced schedule
- Respect and support to your professional, family and personal goals

You have:

- University degree in computer sciences (or equivalent)
- At least 2 years of experience in web application development
- Profound understanding of object oriented programming concepts and core Java programming language
- Experience in web development using HTML, CSS, JavaScript (object oriented) and jQuery
- Advanced JEE knowledge (Preferably Oracle WebLogic)
- Experience with PL/SQL programming will be considered as asset
- Design pattern knowledge
- Knowledge or willingness to learn about banking business processes
- Passion to deliver high quality code
- Open and friendly personality
- Ability to work well within teams
- Ability to set realistic schedules and manage on-time completion of tasks
- Good spoken and written English skills

Working location: **Belgrade, Niš**

Sounds interesting? Then you should join enjoy.ing!

Please send your CV in English or contact us at jobs@enjoying.rs for any additional information.

We really appreciate your interest in our company, but please note that only short-listed candidates will be contacted.
