

enjoy.ing is a Swiss based engineering company, with headquarters in Zurich, gathering internationally experienced teams of engineers in Belgrade and Niš.

## We enjoy software engineering! Do you?

If you are looking for creative and challenging international projects, excellent working conditions, training and development opportunities, pure professionalism with a handful of positive spirit and...

You are a team player with open and friendly personality and would like to work as:

### Java Developer

#### You will:

- Be part of the team working on complex cross channel e-commerce solution, which emphasizes the importance of performance optimization and being in touch with its various parts
- Contribute to all phases of the software development lifecycle
- Work within an evolving agile development environment
- Collaborate with teams that include developers, business analysts and QA test members

#### Our offer:

- A chance to be part of casual but highly professional international environment
- Competitive compensation depending on experience and skills
- Private pension and medical insurance
- Professional and soft skills trainings and education
- Sports, team buildings, conferences and events
- Modern and cozy offices in New Belgrade and Niš, cakes and fresh fruits...
- Possibility to travel abroad
- Work – life balanced schedule
- Respect and support to your professional, family and personal goals

#### You have:

- Minimum 2 years of experience in Java development
- Experience with Spring framework
- Knowledge of Java web frameworks like Spring MVC
- Knowledge of HTML, XML, JavaScript (jQuery), AJAX, JSON
- Knowledge of Web Services: REST, SOAP would be considered as an asset
- Ability to interpret and communicate information to the client
- Experience in e-commerce projects is desirable
- Ability to work well within international teams
- Willingness to travel abroad occasionally
- University degree in computer science (or equivalent)
- Very good verbal and written communication skills in English

Working location: Niš
