

CODE YOUR FUTURE!

2. SENIOR FRONT-END ENGINEER

We are currently looking for an experienced Front-end Engineer with strong skills and proven experience who is ready to dive into a young and vibrant startup world.

AS OUR FRONT-END ENGINEER YOU WILL:

- Work together with an excellent team of backend engineers and build on their API
- Work in a world class office environment
- Have free time to work on your innovation projects

ESSENTIAL SKILLS AND EXPERIENCE

- Minimum 5+ years experience in building pixel-perfect user interfaces with HTML5, CSS3, JavaScript/AJAX and all the latest front-end techniques (Angular, React, Backbone)
- 3+ years of industry experience (fast-paced startup environment, e-commerce)
- Experience with integrating APIs
- Deep understanding of DOM, XML, and JSON
- Server-side development experience in a major language (preferably PHP, .Net)
- Experience with CSS pre-compilers SASS and LESS
- Proficient in package management systems like Bower and JS task runners such as GRUNT, webpack, experience with Docker
- Experience working in agile project teams (SCRUM) experience
- Experience working with version control systems (Git)
- An encyclopedic knowledge of browser quirks and their remedies

GOOD TO HAVE:

- Experience working on large scale JavaScript applications, preferably experience creating single page applications
- Experience with WebGL
- Domain experience in Display Advertising and Digital Marketing

RESPONSIBILITIES:

- Implementation of our completely new online system (customer facing, backoffice facing)
- Improving our overall customer experience using a customer-centric approach
- Working with Product Owner and Engineering team

BENEFITS:

- High-growth company in which you can find an exciting and trend-setting challenges
- Familial working atmosphere in an open-minded multinational team
- Compensation plans higher than the market averages
- All necessary equipment – up to you to decide what you prefer
- Budget for professional improvement (courses, conferences, books...)
- Budget for the mastery of the English language during the working hours
- Nice office in Belgrade, in villa with wonderful garden
- Fully stocked kitchen (tea, coffee, fruits, soft drinks, snacks...)
- Tournaments of table tennis, table soccer and darts in our office

If you are interested in this position and you have all the required qualifications, do not hesitate to send your CV to hr@holycode.rs.
